Care Instructions for Textured Microfiber Furniture:

In order to maintain the original appearance of your textured microfiber furniture, please follow the simple care procedures below:

- **Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and/or exposure to heating and air conditioning outlets will fade/damage textured Microfiber.**
- **Vacuum or wipe with a soft cloth to remove dust.**
- **Hardware may loosen over time. Periodically check to make sure all connections are tight. Re-tighten if necessary.**

For items used on wooden floor, hard surfaces or carpets, it is recommended to install protective pads under all legs and supports to prevent damages, scratches and discoloration.
